TRAVEL RULES

Covid-19 prevention measures

"updated by DPCM July 14th 2020"

Attention please!
FOLLOW
the rules!

Agree to the **measurement of body temperature** and **do not go on board** if it exceed **37,5 °** or **if symptoms of acute respiratory infections** are present

1

Before going on board and **for the entire duration** of the trip, **wear a surgical mask** to protect the nose and mouth; **replace the mask** at least **every four hours**

2

Comply with the instructions of the accompanying person and the **driver** before the **ascent/descent** and the **loading/unloading** of the luggage and during the trip avoiding gatherings

3

Avoid gatherings even during stops and in the dedicated areas, possibly **respecting the distance of 1 meter** from the other passengers, the accompanying person and the driver

4

For the entire duration of the trip, **occupy only the assigned seats**, avoiding in any case to use the seats possibly marked as not usable

5

Frequently **sanitize hands** and **avoid touching your own face** for the entire duration of the trip
